## **Jewish Historical Society to Receive \$75,000 Matching Grant**

West Hartford, CT – The Jewish Historical Society of Greater Hartford has raised \$75,000 in endowment funds and will receive a \$75,000 matching grant from the Jewish Community Foundation. “What a wonderful capstone to a momentous year for JHS,” said Deborah Rothstein, the Foundation’s Director of Development. “The Society has a beautiful new space in the Community Services Building, with state-of-the-art archives to preserve our local Jewish heritage for future generations. Now its staff and supporters have risen to the occasion, building an endowment that will help to ensure the future of the Society itself.” Rothstein presented Estelle Kafer, the Society’s Executive Director, with a certificate of achievement at its annual meeting on June 26.

The Society’s endowment fund is one of more than 900 funds administered by the Jewish Community Foundation. Income from the fund will help to sustain the Society’s operations in years to come. Contributions may be made at any time. For more information, please call the Foundation at 860.523.7460 or visit our website at [www.jcfhartford.org](http://www.jcfhartford.org).
