

–Jack Hutensky with his mother, Jill

## MY FUND SUPPORTS...

*Philanthropy allows me to support organizations that share my values, spread the blessings I have been lucky enough to receive, and give back to the communities where I have lived and worked. It has been amazing to watch my fund grow over the last eight years. I look forward to continued involvement with JCF.*

However you choose to support your favorite causes this holiday season, making a gift to a fund or opening a new fund before year-end allows you to:

- Achieve your philanthropic goals
- Maximize your tax advantages
- Support community needs as they arise over time
