

WOMEN & GIRLS NEED US.

This Mother's Day, honor a woman or girl you love while helping women and children in need with a gift to the Lillian Fund.

The power of collective philanthropy is growing. Women dominate giving circle membership nationwide at 70%*, and women-only giving circles prioritize their funding to women and girls**. Join us and be part of this movement!

With your \$100 gift to the Lillian Fund, you can honor a woman or girl for Mother's Day by giving her a vote on where to donate our annual grant. Last year, our grant supported investigating child abuse and exploitation allegations in a child-friendly, developmentally and clinically appropriate, and culturally sensitive manner at Klingberg Family Centers Children's Advocacy Center in New Britain.

Launched in 1999, the Lillian Fund is a giving circle of women at the Jewish Community Foundation. Members share a powerful vision: a world in which all women and children have equal opportunity for personal and professional achievement. They support this vision by funding education programs, domestic violence services, mental health counseling and job training, to name a few, in Greater Hartford and Israel.

The Lillian Fund honors the accomplishments of Lillian D. Wald, z"l, a Jewish woman and a founding member of the NAACP, who dedicated her life's work to advocating for women's issues, child welfare reform, public health issues and world peace.
