OUTREACH

Shabbat Your Way

UConn Hillel

The Challah Bake every Friday morning at UConn Hillel allows students to connect more deeply and creatively with this Jewish tradition. Your grant will support this important initiative, including the purchase of baking supplies and UConn Hillel aprons for participants.

\$500

Office Renovations

Jewish Family Services of Greater Hartford (JFS)

With limited office space and an increased demand for mental health services, JFS must move some administrative staff to make room for new clinicians to have private offices. Your grant will help JFS install specialized sound dampening cubicles that allow for shared space among staff.

\$3,000

Holocaust Survivors

JFS

Although JFS has made great strides toward meeting the needs of Holocaust survivors, there is still a dire need to provide for their homecare. German government reparations do not cover the full cost of homecare, and limiting this essential need could mean the risk of falls and other dangerous living conditions. Your grant would help ensure vital homecare for those who have endured so much.

Purim in the Tropics

Chabad Friendship Circle

Chabad Friendship Circle will host a fully inclusive holiday celebration for families. Your grant will create a supportive, nonjudgmental environment in which children with disabilities and teenage volunteers can feel the JOY of Judaism with tropical animals, smoothie making, Hamantaschen and Hulas.
